Chemistry Education

Risk Assessment

updated: 20190402

Date: 231110	Full name, tel: Jan-Åke Liljeqvist, 0705-891206	Expt nr/page i lab book:
Name of experiment: EXCT4		

Reactions, expt conditions and procedures with safety implications:

Substances, incl. those formed during the experiment and solvents. Include state of matter and concentration (if appropriate).	Hazard. to enviro.	Irritant	Corrosive	Health hazard	Toxic	Oxidising	Flammable*	Compressed gas	Explosive	H-phrases
EXCT4 in PBS	No	No	No	No	No	No	No	No	No	

Continued on the back? Yes [ ] X No [ ]

** Extremely flammable, very flammable or flammable*

Preventative measures and measures in case of incident (see P-phrases)

Waste disposal

Overall risk with consideration to dangers and safety/protective measures undertaken:	x Low	Medium	High	Very High

Date, lab teacher's signature and name Jan-Åke Liljeqvist 231110,

CONT. Substances, incl. those formed during the experiment and solvents. Include state of matter and concentration (if appropriate).	Hazard. to enviro.	Irritant	Corrosive	Health hazard	Toxic	Oxidising	Flammable*	Compressed gas	Explosive	H-phrases
